

INTEGRA'S

STAIN REMOVAL SYSTEM

INTEGRA®
... in a word, SIMPLE.

FEATURES

Stain Removal System has a liquid spot remover and an enzyme laundry spot remover.

SPECTRUM (71)

- Enzyme laundry stain remover
- Highly concentrated
- Enzyme-based
- Safe on most fabrics

RENEW (69)

- Liquid spot and stain remover
- Solvent blend
- Surfactant blend
- Alkaline boost

Products meet **INTEGRA® Green™** criteria for environmentally preferable products.

Patent No. US 7,658,213
INT05R2

INTEGRA'S STAIN REMOVAL SYSTEM

CHEMICALS

RENEW (69) is highly effective for removing a wide range of stains caused by medicinal and/or other products. It is a blend of active solvents and surfactants that are able to remove difficult stains without harming cotton and synthetic fibers.

Properties:

- Form - Liquid
- Color - Fluorescent Yellow-Green
- pH - 11.6
- Specific Gravity - 1.024
- Primary Hazard - Possible Eye and Skin Irritant
- Composition - Solvents, Surfactants, Chelants

SPECTRUM (71) is an enzyme-based spot remover that is effective on a wide range of stains.

Properties:

- Form - Liquid
- Color - Purple/Pink
- pH - 6.7
- Specific Gravity - 1.046
- Primary Hazard - Solvents, Synthetic Detergents, Enzymes

MSDS can be downloaded at www.theintegraprogram.com

The product usages shown are merely suggested guidelines. Water and soil conditions vary from one account to another, therefore specific product amounts must be determined by doing a study of soil levels, water conditions, temperature and time.

GENERAL USAGE:

Use Directions: Dispense **RENEW** or **SPECTRUM** directly into your quart sprayer from the designated **INTEGRA**® capsule holder at proper use dilutions.

General guidelines: 6-10 ozs per quart. Can be used undiluted in heavy soil conditions.

Areas Of Use: **RENEW** and **SPECTRUM** are safe for all types of natural and synthetic fabrics. May be used in hot, warm or cold wash programs. For institutional laundry use and safe for personal linen.

Safety: Harmful if swallowed. Irritating to eyes. Keep out of reach of children. Read label MSDS information for complete listing of hazards.

Packaging: Both **RENEW** and **SPECTRUM** are packaged in **INTEGRA**® capsules only - 2x1 gal case.

EQUIPMENT

Compatible with the following manufacturers:

- Beta - D3000
- Dema
- Hydro
