DOSE HOUSEKEEPING PRODUCTS

BRILLIANT - Non-Ammoniated Glass Cleaner
Designed to be used on all glass, plastic and vinyl surfaces. Fast drying formula leaves glass sparkling.

STELLAR - Neutral Floor Cleaner
A concentrated product formulated to safely clean all surfaces. Safe to use on waxed floors. Neutral pH formula.

PRISTINE - Mild Acid Restroom Cleaner
Designed to remove soil, stains, soap film and hard water deposits. PRISTINE will take care of most of your restroom and shower maintenance needs.

NATURAL DOSE - Neutral All-Purpose Cleaner/Degreaser
A unique all-purpose cleaner and degreaser based on a degreasing surfactant chemistry. NATURAL DOSE is a safe alternative to acid, caustic and ammoniated cleaners.

FRESH AIR - Odor Neutralizer
A highly effective deodorant/malodor absorber. It is suitable for a wide variety of applications.

SURFLEX® HAND SOAP & DISINFECTANT

ASSURE - Antimicrobial Foaming Hand Soap
A premium, instant, lathering skin cleaner/antimicrobial agent. It contains an antimicrobial agent proven effective in removing bacteria from hands. ASSURE produces a rich lather that gently cleans skin. Safe on sensitive skin.

Q-FORCE 256 - One Step Disinfectant Germicidal
A no-rinse, neutral pH, hospital grade disinfectant cleaner that works in one labor-saving step. Animal Premise Virucidal Performance: Effective against canine parvovirus, rabies, Pseudorabies virus, Vaccinia virus and others. EPA Registered.
AN EFFICIENT LAUNDRY SYSTEM TO PROVIDE A SANITARY, SAFE, AND SECURE ENVIRONMENT.

Correctional and Probation facilities require heavy-duty washers and the right products capable of handling a variety of items; including bedding, towels, personals, mop heads, and rags. Laundry chemicals need to be handled in a safe manner, while also being secured from the inmate population.

The INTEGRA® System accomplishes both! It allows your laundry chemicals to be placed away from both the washers and inmates. In addition, our one gallon capsules are easy to account for and can be removed and secured when the laundry is not in operation.

INTEGRA SYSTEM

The INTEGRA System® starts with the INTEGRA® capsule. The capsule is unique, because all INTEGRA® products are packaged in one-gallon containers to save you storage space and eliminate heavy lifting by your employees. The capsules are inverted, allowing you to completely empty the contents of the capsule, using 100% of the products.

The capsule comes to you factory sealed by INTEGRA®'s proprietary SurSeal Insert. The Insert is designed to open the capsule only when it is properly put in place in the INTEGRA® Activator. If removed from this position, the Capsule re-seals itself.

The INTEGRA System® is mounted on the wall, saving you additional space and keeping your laundry area clean and efficient.

DOSE by SURFLEX® HOUSEKEEPING SYSTEMS

DOSE is engineered to be simple, accurate and cost competitive.

Two simple steps! Add water to quart bottle and dispense chemical concentrate into quart bottle.

INTEGRA® LAUNDRY PRODUCTS

PLUS 15 - HD Laundry Detergent
A laundry detergent designed for use in hard water and heavy soil conditions.

LAUNDRY SAN - Laundry Sanitizer
A laundry sanitizer for use in commercial, institutional and industrial laundry operations. This product sanitizes fabrics, reducing bacteria counts by 99.9%. Especially useful for colored textiles that cannot be bleached. EPA Registered.

PROPEL - Concentrated Laundry Performance Booster
A concentrated liquid laundry additive based on hydrogen peroxide.

PRELUDE - Laundry Emulsifier
A high alkaline laundry emulsifier with a low foaming surfactant added to help break up tough soils.

NEUTRA - Iron Removing Sour
A liquid laundry sour developed specifically for iron stain removal and pH control.

FLUFF - Fabric Softener
Concentrated fabric softener reduces wrinkles and static electricity.

INTEGRA® STAIN REMOVAL PRODUCTS

SR ENZYME - Laundry Enzyme Presoak
Powdered presoak removes organic stains. Begins the break down of stain before laundering. Effective on a broad spectrum of stains.

SR 3 - Enzyme Pre-Spotter
Liquid enzymes actively destroy protein stains and starches which attract and hold stains. SR 3 also contains surfactants and solvents to aid in complete stain removal. Targets organic stains.

SR RECLAIM - Reclaim Powder For White Linens
A powdered laundry additive for white linen designed to restore fabric that has been discolored by soils and stains.

SYSTEMS ARE CUSTOMIZED TO MEET THE DEMANDS OF YOUR FACILITY.
